Dear Parents,

At "High Seas Expedition," kids explore the mighty love of God on a journey that will change them forever! "High Seas Expedition" is filled with incredible Bible learning experiences. Kids will engage in Bible Point Crafts, team-building games, cool Bible songs, and tasty treats. These are just of a few of the "High Seas Expedition" activities that help faith flow into real life. Plus, we'll help kids discover how to see the evidence of God in everyday life - something we call God Sightings. Get ready to hear that phrase from your kids alot!

Your kids will also participate in a hands-on mission project called Operation Kid-to-Kid that will let the kids in our community blanket the world with God's love. We will be sending blankets that the children have worked on to children in Africa. In addition, if you would like to send in an offering with your child this week during VBS, that would be great. This offering will go to support missions around the world.

**We would also like to invite your children to participate in the service this Sunday, on July 18th at 10:00 a.m.** The children will be singing songs that they have learned this week while attending VBS. Please bring your family and friends.. but most of all your children.. as they share with us the inspiring music they have learned this week.

First Presbyterian Church will be doing something different this year to celebrate the end of Vacation Bible School. **This Sunday evening July 18, we invite you to a party on the lawn from 6:00 until 8:00 for an evening sure to be fun for all!** Please come, and once again bring your family and friends for a PARTY ON THE LAWN. We will enjoy free ... live music, games, hot dogs, watermelon... and best of all... a good old fashioned "ice cream social." We look forward to seeing all of you there.

We would like to thank you for sharing your children with us this week at our "High Seas Expedition" and hope that they have been enjoying this week full of fun and rolling waves while experiencing the deep waters of God's love.

In Christ's Name,

The volunteers and staff of First Presbyterian Church
